A collection of dark, layered mineral specimens and a clear, faceted crystal specimen. The dark specimens are stacked and layered, showing various textures and colors from black to dark grey. The clear crystal is positioned in the foreground, showing its intricate facets and internal structure. The background is dark, making the specimens stand out.

A stack of five smooth, dark, wet stones is centered on a wet, reflective surface. A fresh sprig of rosemary lies horizontally across the base of the stack. The background is a light, neutral color with a diagonal white-to-grey gradient in the upper right corner. The overall aesthetic is clean, minimalist, and natural.
